

WE ARE LOOKING FOR A

Female WELL-BEING WORKERS

£12/hour

Job specification- Staff with good values, a pride for working with people, passion to develop skills and knowledge, and a positive character that you can bring to people's lives.

Experience in Personality Disorder and trauma is preferred but comprehensive and specialist training is provided specific to the role.

We are recruiting specially for a team to provide support to a young woman with complex mental health needs. We require an all female staff team. Staff need to be competent following Behaviour Support Plans and care needs. There is opportunity to progress into team leader role for this team, depending on competence, passion and work ethic. We recruit specifically for the people we support, so we like it when you have similar interests or personality to them. Leeds based, specific area TBC.
