

Part-Time Registered Manager

CQC Regulated Social Care Service - MMBM

Location: Head office base – Horsforth.

Service users are across Leeds.

Hours: Part-Time (Flexible)

Salary: Competitive – Rate will be negotiated based on the successful candidate's experience and the needs of the service.

About MMBM

At MMBM, we are committed to delivering high-quality, person-centred care that empowers individuals to live fulfilling and independent lives. We pride ourselves on creating a culture built on integrity, compassion, and professionalism, while maintaining the high standards expected of a CQC-regulated service.

We offer bespoke support packages to individuals aged 18-65. The people who we support are either hospitalized, in an institution or jail, or at risk of admission at the time of their referral to us. Our service is by referral of Leeds Social Care only, for individuals with Mental Health and/or Learning Disability diagnoses. Our service is hope for the people who we support, because nothing else is working for them, but it can also be some peoples 'last chance' too- as we are sometimes the last step before institutional care. So, we try very hard to give each individual the foundations, tools, skills, support and motivation to be part of their community and call it their forever home!

We work hard at securing each individual their **own** home within the community, sourced from the housing market, and bespoke to the individual! We suit each home to the persons wants and needs, location>construction>interior design! We also recruit per individual, so all staff have trusted relationships with the individual, and are trained to their needs. We then build support plans around the persons wants, dreams and needs! We have some amazing and life changing success stories and achievements!

The Role

We are seeking an experienced, passionate, and dedicated **Registered Manager** to lead our service on a part-time basis. This role is ideal for someone who values people, leads with integrity, and understands that exceptional care requires both professional knowledge and compassionate decision-making.

As Registered Manager, you will be responsible for ensuring our service remains safe, effective, caring, responsive, and well-led in line with CQC standards. You will provide effective leadership to the team, maintain regulatory compliance, and champion a culture where people receiving support are always at the heart of decision-making.

This is a part time role as alongside you in the office, we have dedicated roles for Registered Manager (Vacant), Practice Management/Service Coordination, Behaviour Analysis, Risk Management, Values Facilitation, Health and Safety Leads, and a Staff admin, so you will be part of a dynamic workforce and never on your own!

What We're Looking For

The successful candidate will demonstrate:

- Previous management and leadership experience within health or social care.
- Strong leadership skills with the ability to inspire, motivate, and support others.
- A personable, approachable, and professional management style that earns the respect and trust of colleagues.
- Integrity, honesty, and accountability in every aspect of the role, with commitment to the people we support, our staff, and the wider service.
- A diligent, organised, and dedicated approach to maintaining high standards.
- Confidence in representing MMBM professionally, clearly communicating our mission, values, and quality of care to professionals, stakeholders, and external agencies.

Essential Requirements

- Strong communication, organisational, and problem-solving skills.
- A genuine passion for delivering outstanding care and developing high-performing teams.
- Thorough knowledge of medication management and best practice.
- Excellent understanding of safeguarding responsibilities and statutory guidance.

- A sound understanding of person-centred care, recognising that every individual and every situation is unique. We value managers who can apply professional judgement and understand that care is not always simply black and white.
